

# Community Meeting 2023-24

to elect new Trust Advisory Committee (TAC) and present 2023 YN People's Trust (YNPT) and YN Direct Benefits Trust (YNDBT) annual reports

The annual Community Meeting was held in Perth and Meekatharra on 5 and 7 December 2023 respectively. As we did not get enough attendees for a quorum across the two locations (we were 16 people short), the meeting remains open and will be reconvened a third time to make up the quorum.

On 17 January 2024 (see below for details) we invite those of you who didn't attend the meeting to come along to cast a vote for your TAC representative and collect the annual reports for the last financial year. Important note: The TAC will remain unelected until a quorum is reached.
