

25 JANUARY 2024

## Update on 12 Gwalia St, Meekatharra.

The buildings at 12 Gwalia St Meekatharra are scheduled to be demolished and the firm Statewide Demolition & Recycling has been engaged to undertake this work.

---

The properties were damaged by squatters and the trustee was successful in making a claim to the insurers for the loss.

The property has been problematic over several years as a result of many break-ins and squatters. We are confident this action will bring this matter to a conclusion.

More information is available from this year's YNPT annual report (2022-23) under the headings *Trust Residential Properties* p.29 and *Legal Matters* p.34.

For further information please contact FAS.
